

Per Capita has been part of our funding history for over 275 years. "Per Capita is an opportunity for all communicant members of the Presbyterian Church through the (Councils) to participate equally, responsibly, and interdependently by sharing the cost of coordination and evaluation of mission; and performing ecclesiastical, legislative, and judicial functions that identify a Reformed Church, while the same time strengthening the sense of community among all Presbyterians.

The Presbytery of Scioto Valley
Mission and Vision Statement

God calls us through the Holy Spirit to connect with each other to plant, grow, and nurture vital, faithful communities of Christ for service and ministry. THE PRESBYTERY OF SCIOTO VALLEY

Per Capita is crucial to the overall health and well-being of the PC (USA), not only because it provides for our ministries, but because it binds presbyteries, synods, and congregations together in one Church. (J. Herbert Nelson II, Stated Clerk of the General Assembly)

Per Capita & Mission Giving

Per Capita is the way we financially support the connectedness of over 10,000 congregations, worshipping communities and mid-councils of the PC (USA). It allows its church members to participate in the work of the wider church. Per Capita binds us in a covenantal relationship and allows the whole church to share equitably in those things that make us Presbyterian.

Mission Giving provides financial support for mission ministries locally and across the denomination. Shared mission giving makes a difference in mission support beyond the congregation. Your congregations' annual pledge of shared mission dollars give life to mission projects and ministries in the Presbytery and into communities beyond its boundaries.

Per Capita

History of Per Capita...

Per Capita, which began in 1734, is part of the glue that holds Presbyterians together by supporting various ministries throughout the church. Per Capita is based on a portion of certain salaries and administrative expenses which are part of the operating expenses of the Presbytery, the Synod and General Assembly. Per Capita supports our system of councils that allows ruling elders and teaching elders to discern the mind of Christ, work together for full participation in decision-making which furthers the witness and mission of Jesus Christ in the world. Per capita is a form of stewardship at the presbytery, synod, and General Assembly levels allowing us to use our gifts, talents, and resources to support and promote the ministries and missions of the wider church.

Per Capita in Scioto Valley supports the cost of operating the presbytery office, administrative expenses, legislative and judicial functions, and serving the congregations through committees and commissions.

To fulfill our Per Capita obligations with the Presbyterian Church (U.S.A.) the Presbytery of Scioto Valley funds 100% of the Per Capita owed to General Assembly, even the deficit of what congregations do not submit.

Congregational Giving

Why pay Per Capita and support Mission?

Per Capita and Mission giving are the ways all Presbyterians share costs that belong to the whole church, support administrative and mission ministries, and give meaning to the interdependent nature of being Presbyterian.

Through the financial commitment, support and generous giving of our congregations, the presbytery, synod and general assembly can make a difference in the world.

The Westminster Confession says, "all believers, are therefore, under obligation to sustain the ordinances of the Christian religion where they are already established, and to contribute by their prayers, gifts, and personal efforts to the extension of the Kingdom of God throughout the whole earth."
